Re: Maintenance Required, Marblehead Mountain Processing Plant and
Quarry

Dear Mr. Kunzler:

As you know, I am in receipt of the letter dated April 8, 2008 from Susan M. White concerning the above-referenced matter. This letter will confirm our telephone conversation of Friday, April 25th, in response to Ms. White's letter. We discussed the fact that it does not appear from our records that Chemical Lime Company of Arizona ("Chemical Lime") or any affiliated entity of Chemical Lime has any interest in the quarry in question (the "Quarry"). When Chemical Lime's predecessor in interest purchased the Marblehead Mountain Processing Plant (the "Plant") in September of 1992, it did not purchase any interest in the Quarry. You suggested that you would review your records to determine the ownership of the Quarry and that you would be able to contact me with your findings within the next two weeks.

If there is anything else that you may need of me in the meantime, please feel free to contact me at your convenience. Thank you for your attention to this matter.

Sincerely,

Christopher J. Burr
